PAUL ROWTON INDOOR TENNIS CENTER

Welcome to the tri-state areas finest indoor tennis facility. Our center started with a dream and was founded in early 2003. Kentucky Tennis Hall of Famer & 50+ year player, teaching pro Paul Rowton and son Nathan Rowton envisioned a family oriented instructional and player facility where spectators could watch comfortably. Our doors opened in January of 2004 and is still growing today.

We are unique to this area within a 60+ mile radius, offering six indoor courts with state-of-the-art lighting and viewing areas downstairs, as well as a large mezzanine upstairs. For the convenience of our players we have showers and lockers in both the women and men's rest areas.

In 2004, we were nationally recognized receiving the award, "USTA Outstanding Tennis Facility", and "Facility of the Year" for the state of Kentucky. In 2005, we were chosen "Tennis Welcome Center of the Year" for USTA's Southern Section. This facility is the venue for surrounding college and high school practice sessions as well as tournaments and match play. We offer tennis 12 months of the year!
